

Lesson27

Takashi: That sounds like a serious problem

Takashi: Did he fix it already?

Emily: Not yet, but he is working on it now.

Takashi: Is this an old apartment building?

Emily: Yes, it is. The rent is low, but it's not a good building.

Takashi: How long have you lived there?

Emily: About two years. I should probably look for a better place.

But enough about me! How is your trip?

Takashi: My trip is great so far. I like New York. New York is a very busy city but it's very energetic and exciting. It's interesting to see the diverse culture.
