

## Lesson28

Emily: How is your trip?

Takashi: My trip is great so far. I like New York.

Takashi: NY is a very busy city, but it's very energetic and exciting.

It's interesting to see the diverse culture.

Emily: That's right. I am glad to hear that you like New York. Where did you go?

Takashi: I went to the Empire State Building and Chinatown.

Emily: Chinatown! It's very crowded. Why did you go there?

Takashi: I went there to get some souvenirs. I heard everything is inexpensive there.

Emily: Oh, I see.
